

**Prop 28 Arts & Music Expenditure Plan
Round Valley Joint Elementary School
2024 / 2025**

Round Valley will be working in partnership with C5 Studios for regular art and dance lessons. This will be done schoolwide and will utilize all Prop 28 funding. Round Valley is exempt from the 80 percent of funds being used to employ certificated or classified staff.

Round Valley received \$8,986 in 2023/24 and is projecting to receive the same amount in 2024/25. Round Valley plans on spending both 2023/24 and 2024/25 funding in fiscal year 2024/25 through this partnership.
