Those wishing to address items on the agenda may do so when recognized by the Board President near the beginning of the meeting or when the President requests public comments when the item is being considered. The President may restrict total time on any item. For matters not on the agenda, there is an opportunity for individuals to address the Board when the Board President requests comments from the public near the beginning of the meeting. The Board shall not take action on such items at that meeting. Those who wish to request an agenda item may do so by submitting the request in writing, along with supporting documents and information, to the Superintendent at least eight school days prior to a scheduled meeting date. Further, in compliance with the Americans with Disabilities Act and Government Code Section 5494.1., if there is a need for special assistance, including but not limited to an American Sign Language interpreter, accessible seating, or documentation accessible formats, should contact the District Office at (760) 387-2525 at least 48 hours in advance.
